

23rd ANNUAL RACE FOR AUTOMOTIVE EDUCATION

February 24-27, 2025

ProKart Indoor Racing

14350 Rosemount Dr., Burnsville, MN 55306

A fundraiser to support the AASPMN Automotive Education Fund...

Enhancing opportunities in automotive education through scholarships, program support and partnerships.

Start your engines! Organize your team today. (This event would make a great employee outing!) The competition will consist of up to 10 teams each night with five members each and a crew chief.

These ain't your daddy's go karts! ProKart's fleet of RiMO EVO6 Race Karts are run on power-boosting, low-emission, renewable methanol for consistency and performance.

All proceeds will benefit the AASPMN Automotive Education Fund When the final checkered flag waves and the adrenaline subsides, our goal is to raise over \$15,000 over the four nights. Most of that money is earmarked to fund scholarships for students enrolled in an ASE-accredited automotive program (collision or mechanical) in the state of Minnesota. Scholarship awards are \$500 - \$2,000 per student.

The race is on! Registrations will be accepted on a first-come, first-served basis. The *Race for Automotive Education* is sure to be a sell-out event, so don't delay – register today!
