21st Annual AASP-MN Golf Outing Highlights

On Tuesday, June 16, 122 golfers and 28 sponsoring companies enjoyed a beautiful day golfing and socializing at the 21st Annual AASP-MN Golf Outing at Tartan Park Golf Course, Lake Elmo.

Competition was fierce, with two teams logging a final score of 62 (10 under par). Based on a tiebreaker hole, the team from Hopkins Auto Body was declared the winners. Team members were:

- Jerald Stiele, Hopkins Auto Body
- Dave Williams, Hopkins Auto Body
- Spencer Smith, Smith Import Motors
- Matt Koehler, Kroll Ontrack

The team from LKQ placed second, represented by team members Jim Dow and Randy Johnson from LKQ/Keystone and Laura and Jesse Jacobson from Heppner's Auto Body.

A fundraiser to support the association's Political Action Committee (PAC) was held during the event and raised \$725 for the PAC fund. AASP-MN's PAC fund provides access and resources to legislators who support the automotive service industry and advocate its positions.

A special "thanks" to the following companies for sponsoring holes during the event:
